

News Letter May 2007

Dear all,

I can't believe it was March when I sat here and typed the last news letter and here we are at the end of May, how time has flown by!

These last two months have been jam packed with things going on in the wonderful world of Crazy Gang. Time is marching closer and closer to Katie and Steve's wedding. I believe off the top of my head its something like seven weeks away. I'm told on an hourly/daily/weekly basis!! After a fortnight of this you tend to switch off a bit! Tensions are mounting and the spare room is full of dresses, shoes, jewellery... the list is endless. Has anyone checked out Katie and Steve's website? A little present from Dom and myself to them both. It's up and running at the moment and even has a guestbook so you can leave your best wishes to them both. All the wedding information for the special day and more. A lot more will be added after the big day with photos etc. Check it out at www.mrandmrsfills.co.uk

Whilst we are on the topic of websites... Who's been looking at ours?!! We get an average of over 2,500 hits a month (to those not technically minded "hits" means every time someone visits our website!) With this high volume of people taking a look, I'm sure you can imagine that I've been working Dom very hard to keep getting things on there and improving on what we already have. Have you seen the photo gallery lately? There has been over 300 photos added; some to new albums and some added to existing albums.

The online shop has been closed off for a facelift with a whole new merchandise range going on soon, and the step sheets are being vastly worked on. We are working on currently adding over 2,000 step sheets to our database and changing the way you can search for them as well. We have a temporary search bar up there for the moment, but are adding a new one shortly with a more advanced search options. We too have a guestbook, so when you're popping by say hello and leave us a message. Would be nice to know what other country's people are looking at on our website.

Everyone is really getting fired up for the GOLDEN OLDIES night!! Not long to go now! I've been working on making sure our website has all the dance sheets you are requesting, so everyone can gain access to them to revise. We have had 108 requests so far and I am sure by the time you're reading this, it will be more than that!! The average amount of dances I can cram into a social night is between 45 and 50, so I will be selecting a good mix from your requests to make our playlist for the night. This will be available on our website shortly after the 15th June when we will no longer be taking any more requests. I've seen some really fab dances requested and I've heard of people really enjoying taking a trip down memory lane going through their old step sheets, almost as much as they have enjoyed dancing them. We will be revising as many oldies in our classes over the next few weeks, so we can get some practice in before the big night.

The morning after the Golden Oldies, I'm jet setting off to Glasgow for an afternoon workshop with the wonderful Gary Lafferty. He's been twisting my arm a little, and is encouraging me to get back into choreography again! I do have a few plans, so watch out there may be a few new Crazy Chris dances coming out soon!

All classes and social nights are still doing really well and it is a pleasure to see you all every week even though we are in a bit of shock with this hot weather!! Won't be long before we're complaining its cold again!!

Things coming up –

Our In The Pink 2007 sponsored dance is getting closer on the 15th October. Letters with all the information and sponsor forms will be available from July.

It's now less than six months to our Everybody Dance weekend in Bideford. We only have a few places left so anyone wanting to join us for a fab weekend... **get in touch soon!!! :o)**

Once again a HUGE thank you to you all. I look forward to dancing with you soon.

Love always...

Chris Adams
